ABBY BEE

Abby Bee

Fun and fresh, the Abby Bee range was released to coincide with the launch of Raine & Humble's recycled fabric and non-plastic packaging initiative.

Reminiscent of summer days by the beach, the collection's candy-striped fabrics are paired with a printed bee motif, chosen for the creature's significance to the natural world.

Bring a touch of warmth to your kitchen and dining room with Abby Bee's array of beautifully detailed pot holders, oven mitts, pocketed aprons, tablecloths, runners, placemats, tea towels and napkins.

Keep your living areas cosy with an assortment of patterned cushions and draught stoppers, and maintain flow in open spaces with a weighted door stop
